

# NELLI NEUVONEN

## PROCESS ENGINEERING STUDENT

### EDUCATION

#### UNIVERSITY OF OULU, FINLAND

##### *Master of Science Studies (Technology) | 2019 -*

Major: Energy Systems. Other: Bioprocess Engineering, Automation  
Technology 90/120 ECTS credit points.

#### KTH Royal Institute of Technology, Stockholm, Sweden | 9-12/2019

Exchange Studies: Energy and Fusion Research, Swedish Language.

##### *Bachelor of Science (Technology) | 2016-2019*

Process Engineering. 180/180 ECTS credit points.

Bachelor's thesis: Biofuel Production.

#### MIKKELIN LUKIO, MIKKELI, FINLAND

##### *Upper Secondary School Certificate | 2015*

### WORK EXPERIENCE

#### PAPERHANS, LAPPEENRANTA, FINLAND

**Process Operator**, super calender | 5/2019-8/2019 and  
5/2020-8/2020

**Responsible for the operation of two super calenders together with another Process Operator and with the support of a super calender Tender.**

- Management and optimisation of material flow using cranes. Keeping the production line in constant operation to achieve the daily production goals.
- Basic maintenance work: exchanging super calender rolls and repairing minor faults.
- Worked at the slitter winder when required.
- Learned work optimisation and improved my teamwork skills. Worked in three shifts.

### PROFILE

- I apply for Master's thesis position in the field of energy engineering.
- I have experience in data management, work optimisation and production planning.
- I aim to develop my expertise in energy engineering.
- In the future, my career goal is to work in a managerial position in the energy industry.

### IT SKILLS

- O365 (excellent)
- MatLab (basics)
- AutoCAD (intermediate)
- R studio (basics)
- Python (basics)
- SAP (production management)

## CERTIFICATIONS

---

- Occupational Safety Card, valid until 7/2021
- Forklift Card, valid until 6/2022

## LANGUAGE SKILLS

---

- Finnish (native)
- English (good)
- Swedish (good)

## HOBBIES & INTERESTS

---

Camping, biking and EMD

## OTHER INFORMATION

---

Corporal, Jaeger Brigade, Sodankylä, 7/2015–6/2016

## REFERENCES

---

References available upon request

### PULP & PAPER, JOUTSENO, FINLAND

Process Operator, slitter winder | 6/2018–8/2018

**Responsible for using two slitter winders, ensuring continuous production together with two other Process Operators and the support of the slitter winder Tender.**

- Management of customer roll cores and rolls cut according to client specifications. Safe use of cranes in the production environment.
- Paper splicing on the production line. Ensuring and maintaining the operation of the customer roll transportation line and the core cutter.
- Learned the central stages of paper manufacturing, teamwork skills and how to work safely. Worked in three shifts.

### PUHDAS OY, MIKKELI, FINLAND

Hospital Cleaner | 6–8/2017

Cleaned rooms and hallways in Mikkeli Central Hospital. Emptied trash and replenished stocks. My work required teamwork skills, diligence and promptness. We worked two shifts on weekdays and weekends.

### CITY OF MIKKELI, MIKKELI, FINLAND

Park Maintenance Worker | 7/2014 and 7–8/2016

Mowed grass in the parks and roadsides of the city. Used a lawnmower and a string trimmer. Worked as a member of a three person team.
